~FAMOUS INDIVIDUAL PIZZA~

The delicious Italian Pizza is Royal Pastry. Recognized by royalty in Italy during the 17th century, the pizza has been enjoyed by Italian people — and people all around the world — since then. No one knows exactly when the pizza was introduced into America, but everyone knows that pizza is the most popular of all Italian culinary creations. Today the pizza is enjoyed all across America as every family's favorite food.

Pasquale DiCicco, the famed 18th century poet and soldier-of-fortune, once said, "A good pizza is like a woman: it must be chilled and warmed, caressed and cajoled — but, like a woman, it is well worth the trouble."

Try a DiCicco's pizza tonight.
